

Cloud Star Community Art Contest 2010

presented by

Cloud Star & San Luis Obispo City-County Library

Every year, Cloud Star donates library bags to the San Luis Obispo City-County Library as prizes for their summer reading program. The catch is, we need artwork to put on the bags! That's why we're holding this Community Art Contest to find amazing artwork. The contest is open to anyone in the SLO community, and there are no age restrictions. That means next year's bags could be designed by YOU! *Not only do winners get to see their artwork printed on bags, but they will also receive \$250!*

Competition Information

We're looking for two designs: One for kids ages 0-12 with the slogan "Make a Splash at Your Library: READ " and one for teens with the slogan "Make Waves at Your Library: READ" All Submissions must include one of the slogans, and may not include any other words.

Designs can be no larger than 10.5"x10.5". Extremely small designs probably won't be considered, so try and make the most of these dimensions.

Designs done by hand must be limited to one color. Vector artwork designs created in Adobe Illustrator (or similar program) may use as many as four spot colors (note: *not* four color process), and must be submitted as a *vector* EPS, AI, or SVG file. Scans of hand made designs must be 300dpi or better. Please note that colors used in your design may be changed for print as we see fit.

Submit as many designs as you like! *If we choose your design for both bags, you will be rewarded for both!*

Submissions may be emailed to design@cloudstar.com, mailed to or dropped off at Cloud Star, or dropped off at the San Luis Obispo Library. Designs must be submitted between Oct. 21 and Dec. 15, 2009. Please be sure to identify yourself with your name, address, age, and phone number on the back of your artwork, CD, or in the body of your emailed submission.
