## SUGGESTED #SUMMERREADING

### Ash Princess by Laura Sebastian

Theodosia was six when her country was invaded and her mother, the Fire Queen, was murdered before her eyes. On that day, the Kaiser took Theodosia's family, her land, and her name. Theo was crowned Ash Princess-- a title of shame to bear in her new life as a prisoner. Now sixteen, Theo is prepared to reclaim the throne by any means necessary.

### Children of Blood and Bone by Tomi Adeyemi

Zélie Adebola remembers when the soil of Orisha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zélie's Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zélie without a mother and her people without hope. Now Zélie has one chance to bring back magic and strike against the monarchy.

### The Strange Fascinations of Noah Hypnotik by David Arnold

This is Noah Oakman: Sixteen, Bowie believer, concise historian, disillusioned swimmer, son, brother, friend. Then Noah gets hypnotized. Now Noah sees changes: his mother has a scar on her face that wasn't there before; his old dog, who once walked with a limp, is suddenly lithe; his best friend, a lifelong DC Comics disciple, now rotates in the Marvel universe. Subtle behaviors, bits of history, plans for the future—everything in Noah's world has been rewritten.

### Nyxia by Scott Reintgen

Emmett Atwater isn't just leaving Detroit; he's leaving Earth. Why the Babel Corporation recruited him is a mystery, but the number of zeroes on their contract has him boarding their lightship and hoping to return to Earth with enough money to take care of his family forever. Before long, Emmett discovers that he is one of ten recruits. Each recruit must earn the right to travel down to the planet of Eden—a planet that Babel has kept hidden—where they will mine a substance called Nyxia, which has become the most valuable material in the universe. Emmett will face the ultimate choice: win the fortune at any cost, or find a way to fight that won't forever compromise what it means to be human.
